INTRODUCTION

Welcome to Bellavista Cloud Forest, Lodge and first officially designated Private Protected Area of Ecuador!!! In the core area of the Andean Choco of Pichincha Biosphere Reserve (UNESCO)

In the middle of the Ecoruta el Paseo del Quinde, the first ecoroute for birding in Ecuador, one of the most biodiverse regions in the world!

Over 30 years protecting the Subtropical Montane Forest (cloud forest) of the northwestern slopes of the Andes. Pioneer ecotourism project of the Quito Metropolitan District.

We have developed a regenerative and sustainable ecotourism project that has positive impacts for our visitors and for local communities, and indeed for Quito city folk.

We are located at the top of the Tandayapa Valley (2250 meters elevation), near Nanegalito, Quito Metropolitan District.

We're only one hour from the Mitad del Mundo or 1 hour 45 minutes from Quito airport or the city of Quito.

The lodge's infrastructure blends into the surrounding forest, giving a deep experience of contact with nature.

Our restaurant "Dawn in the Clouds" offers delicious national and international cuisine and enjoys spectacular views of Guagua Pichincha Volcano, and our surrounding forests.

NOTE: The following price list is comprehensive but not exhaustive. Please contact us for any special requirements and for one day/multiple day tour options.
